About Us

*There are no secrets to success.
It is the result of preparation,
hard work and learning from
failure.*

Basant Packers are considered amongst the foremost manufacturer of highest quality mono-cartons, corrugated boxes and other packaging material.

From a humble beginning with printing business, **Basant Packers**, today, has moved on to take pride in an enviable infrastructure of manufacturing facilities equipped with the best of technologies currently available in the global printing and packaging industry.

Basant Packers caters to a wide array of industry verticals in India and across the globe; the major of them being FMCG, Pharmaceuticals, Electric Goods, Foods & Beverages and Cosmetics.

Professionally managed and an established name in the organized packaging sector of India, **Basant Packers** is a potent mix of the old infused with the new. Four decades of legacy of the Books and Notebooks Industry with names of sister concerns like Vardhman Industries, Vardhman Books International and Vardhman Printline has added volumes of experience to Basant Packers expertise.

An ISO 9001 : 2008 & ISO 22000 : 2005 certified group, Basant Packers has been a leading supplier of paperboard cartons in Northern India.

Products

We collaborate with businesses to map their packaging challenges and deliver relevant solutions for printing and packaging using a single-window approach. Some of our services are :

MONO CARTONS

Mono cartons are designed and developed in varied styles, patterns and dimensions. The colour selection and printing of the carton depends on the product type or the type of business segment it belongs to.

Basant Packers team ensures the quality standards and superior finish strength during every manufacturing process. Apart from presentation and quality, product safety is also given full attention.

CORRUGATED 3-PLY MONO CARTON BOXES

Basant Packers has high-end machines and technology to deliver the superior quality Corrugated 3-ply Monocarton Boxes. These boxes possess the higher holding strength as well as cushioning properties which makes them the preferred choice for expensive, fragile or heavy in nature products.

Backed by a team of well-informed experts, we are a well-known firm in the market for providing an extensive series of boxes.

Products

SLEEVE BOXES

Basant Packers' sleeves for packaging is of the optimal quality and can survive every kind of atmospheric condition. Our company provides a solid range of sleeves for packaging, where quality never undermined.

RIGID WINDOW CARTONS

Rigid Window cartons are printed in extremely stunning and visually attractive display. These are innovative kind of packaging solutions. Window cartons are light weight in nature and are designed and developed with immaculate finish. Rigid is a transparent PVC sheet pasted inside box to make it see through. We would also provide designing facilities and customization will also be incorporated as per clients need.

Infrastructure

A large industrial printing machine is shown, with a large roll of paper being processed. The machine has a large circular component, possibly a drum or roller, and various mechanical parts visible. The background is a solid red color.

The Basant Packers team is capable of handling the simplest of tasks and deal successfully with highly complicated packaging projects with aplomb.

For churning out world standard products on a steady basis and for having a strict quality control check in place, our spacious Printing and Packaging plant is located in Meerut; less than 1 hour away from Capital City New Delhi.

This 2 lakh sq feet plant is a marvel of modern technology innovation and well equipped with sophisticated machineries.

- Heidelberg 102 – 5 COL + COATER WITH LED UV LAMPS Printing Machine Hybrid and Matt Pad applications
- 2 Komori Lithrone Machines
- Automatic Lamination Machines
- Automatic Die Cutting Machines
